EDUCATION

Bachelor of Science in Computer Science, Expected May 2030
University of Alabama in Huntsville, Huntsville, AL
Major: Computer Science

WORK EXPERIENCE

Cyber Intern, *PeopleTec*, Huntsville, AL, June 2026 - Present

- Configured MikroTik routers to establish DHCP servers/clients, custom bridges, and static routing tables, enabling interconnectivity between other interns' networks.
- Deployed an Apache web server to build a full-stack, database-driven web application with user authentication, implementing 10+ core web application security and defense mechanisms.

Back of House Member, *Chick-Fil-A*, Madison, AL, April 2025 - Present

- Prepared and cooked food while following Chick-fil-A's safety and quality standards.
- Worked proficiently in various stations, including breeding, assembly, and prep.

COMMUNITY SERVICE

New Leash on Life Volunteer, *New Leash on Life*, Madison, AL, February 2026 - May 2026

- Provided pets at the lodge with food, water, exercise, and play time.
- Helped with cleaning, laundry, yard work, maintenance, and other varying tasks.

EXTRACURRICULAR ACTIVITIES

National Computer Science Honor Society, *James Clemens High School*, Madison, AL, August 2025 - May 2026

- Provided technical mentorship and logic troubleshooting for 20+ students.
- Invited local software engineers or tech entrepreneurs to speak to the student body.

Beta Club, *James Clemens High School*, Madison, AL, August 2025 - May 2026

- Participated in the "National Beta School of Service" program, contributing to a collective 30 service hours for the academic year.
- Coordinated a community drive that collected canned food for local homeless shelters and pet supplies for local animal shelters.

Peer Helpers, *James Clemens High School*, Madison, AL, August 2025 - May 2026

- Assisted students in various ways, including emotional support, academic guidance, conflict resolution, and promoting positive well-being.
- Built a unified school community and created an atmosphere where everyone feels a part of something bigger than themselves.
